Frimley Healthier Together App Launch

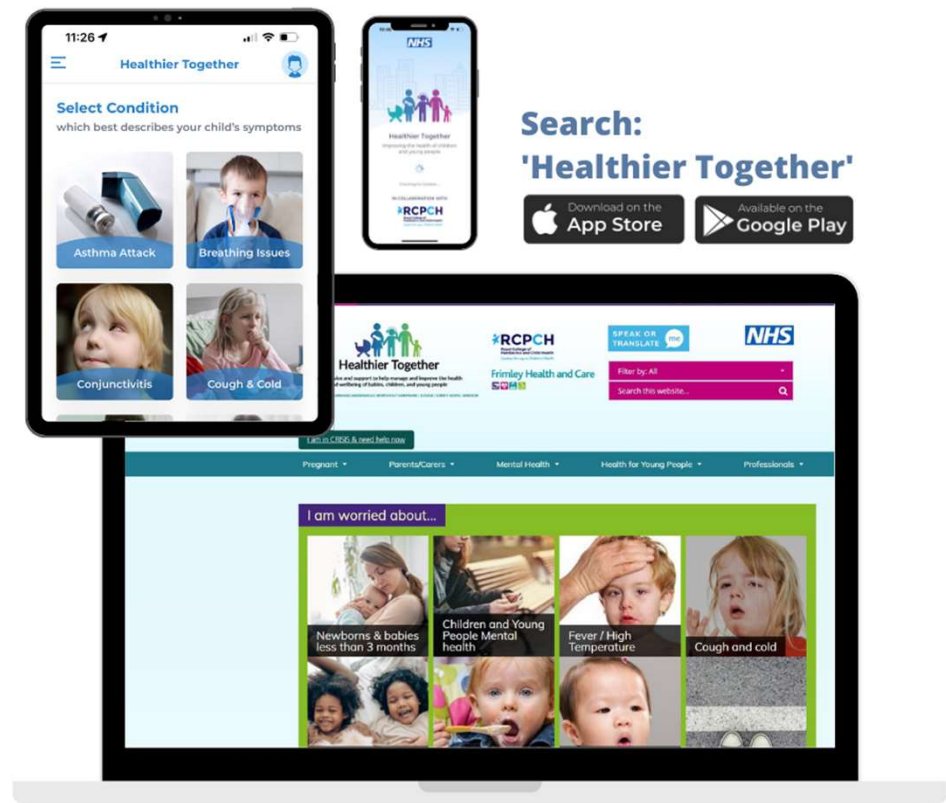

Social media content – September 2022

Frimley Healthier Together App launch

- October sees the launch of the Frimley Healthier Together App which is now available to download from your app store of choice.
- The app provides parents and carers easy access to NHS traffic light guidance on a range of childhood illnesses, allowing them to see advice on what 'red-flag' signs to look out for, where to seek help if required, what to do to keep a child comfortable and how long a child's symptoms are likely to last.
- Note that the app does not replace the [Frimley Healthier Together](https://www.frimleyhealthier.com) website, but is complimentary, allowing fast access to the traffic light guidance functionality.
- Any questions can be directed towards Kirsty.north6@nhs.net or zara.devine@nhs.net.

Messaging and visuals to support

- This pack contains a selection of messaging for use across Facebook, Instagram and Twitter.
- Please simply copy and paste the messages you wish to share from the following slides, including the tracked code which helps us evaluate success of this campaign.
- Imagery as per the slides, and in the suitable format for each channel, can be [downloaded here](#).
- You do not need to share all messages, feel free to pick and mix.
- These can be used over the coming weeks and months to support the launch, and then to reinforce and remind our communities about the app.
- You can follow our channels at www.facebook.com/NHSFrimleyHealthierTogether and / or www.instagram.com/frimley.healthiertogether/ where if easier, you can share our posts.
- You can tag us in to your posts should you wish:
 - @NHSFrimleyHealthierTogether on Facebook.
 - @Frimley.HealthierTogether on Instagram.

Having an unwell child can often be stressful.

Finding concise, reliable information on how to manage their illness is tricky at times.

To solve this, our new app - Frimley Healthier Together - is available now.

Download it today for NHS support to help you manage your child's health right there, on your phone, when you need it.

The advertisement features a blue background with a white NHS logo in the top right. A large blue speech bubble contains the text 'Access concise, reliable NHS advice on common childhood illnesses, when you need it'. Below this, there is a graphic of a tablet and a smartphone displaying the app's interface. The tablet screen shows a 'Tummy Ache' section with a 'Care At Home' heading and a list of symptoms: 'Is alert and interacts with you.', 'Develops diarrhoea & vomiting but red or amber signs.', 'Experiences pain associated with menstruation in a girl.', and 'Is frequently constipated.'. Below the list, it says 'Continue providing your child's care at home'. The smartphone screen shows the app's main interface with the NHS logo, the 'Healthier Together' title, and the RCPCH logo. At the bottom, there are icons for Google Play and the App Store, and a download arrow pointing to the text 'Healthier Together'. The website address 'Frimley-HealthierTogether.nhs.uk' is prominently displayed in blue, and the Frimley Healthier Together logo is in the bottom right corner.
