

The background is a dark grey chalkboard with various white chalk sketches. On the left, there's a large sketch of a microscope. Above it is a globe. Below the microscope are some geometric shapes and a stack of books. On the right, there are sketches of a percentage sign, an exclamation mark, and a right-angle symbol. The overall theme is education and science.

- [Paint the Squares - Interactive Number Charts \(topmarks.co.uk\)](https://www.topmarks.co.uk/Interactive-Number-Charts)
- One more, one less, ten more, ten less.

- Partition a two digit number into tens and ones.

- Number line – adding one and two digit number.
- Subtracting one or two digit number
- Blank number line

Four blank horizontal lines for writing or drawing.

The Comprehensive Maths Vocabulary List for KS1 and KS2 (Free Download) (thirdspacelearning.com)

Concept	Definition	My Notes
Parallel lines	Lines with no common points and always the same distance apart.	
Parallelogram	A four-sided polygon with opposite sides equal and parallel and the opposite angles are equal in size.	
Perimeter	The length of the distance around the boundary of a shape.	
Perpendicular line	A line at right angles to another line or plane.	
Polyhedron	A three dimensional shape with plane faces.	
Place value	Indicates the position of a numeral (e.g. the place value of the 3 in 738 is 30)	
Prime number	A number with only two factors, 1 and itself (e.g. 2,3,5,7,11, 13, 17, 19, 23...)	
Product	The result when two or more numbers are multiplied.	

Homework

- Doodle Learning
- Sheet of work to consolidate
- Number bonds
- Telling the time- Y1- on hour and half past, Y2- to five minutes including quarter past/ quarter to. Y3- telling time to the nearest minute.
