PRIORY SCHOOL NEWS

Headteacher's News

This week at Priory

As we head into the colder months, it's important to help your child stay well and maintain good attendance at school. Simple habits like frequent handwashing, staying hydrated, and getting enough rest can go a long way in preventing winter illnesses. Following the 'Catch it, Bin it, Kill it' approach when coughing or sneezing can also help reduce the spread of germs.

We'd like to remind parents that coughs and colds are common at this time of year, and children don't need to miss school because of mild symptoms. Attending school regularly is vital for their learning and wellbeing, so please encourage them to come in unless they are too unwell to participate. Keeping healthy and maintaining good attendance helps your child make the most of their learning opportunities!

Peek at the Week

Nursery– 18th October 2024

Learning

Personal, Social & Emotional Development

We have been talking about how to make sure our Nursery is a happy place for everyone to learn in. This week we have been focusing on 'caring for our friends by using our kind hands, kind feet and kind hands'

Communication & Language Development

As part of our Jigsaw program we have been reading the book 'Hands are not for hitting' by Elizabeth Verdick. We have been talking in full sentences about all the positive things our hands can do and how we use them in nursery to help us learn in so many ways.

Physical Development

We have been building our core strength by digging in the garden, making holes in the soil, and using small hand held spades.

Slough

Our Learning

This Week:

In math this week, we have been recapping a range of different concepts that we have covered this term. During busy learning the children have been finding missing numbers and have enjoyed using a range of different math resources to represent them.

In English this week, the children continued to describe the different seasons and have become more confident in using key grammatical vocabulary such as 'subject' and 'verb'. Our classroom puppets introduced them to some new and exciting vocabulary to describe Autumn leaves. These words included: crunchy, gold and orangey-brown.

In our afternoon sessions, we continued with our art unit on the formal elements. This week, we focused on pattern and texture and looked at a range of different art work to inspire our own. The children took inspiration from Lorna Simpson and added a range of textures to their self-portraits. They worked really hard to carefully cut out small shapes from a range of fabrics and other material.

Next Week's learning:

In Math next week we will be starting our new topic on addition and subtraction (within 10). We will be introducing children to part - whole models.

In English we will be finishing our text *Tree: seasons come, seasons go*. We will be focusing on the final season, using a range of adjectives to describe winter.

In art, we will be finishing our unit on the formal elements focusing on shape and colour.

Important Dates / Reminders

23.10.24 Last date for Harvest Festival collection

25.10.24 Non-uniform day for Christmas Market donations– Year 2 items for lucky dip please.

wc 28.10.24 Half term

Please read with and to your child every day and also discuss what you are reading.

Spellings are sent home each Friday and there will be a spelling quiz the following Friday. Please practice writing these spellings daily if possible.

The children have logins to NumBots and Times Table Rockstars stuck on the inside front cover of their reading record. Please login to these websites so they can complete activities at their own pace.

Don't forget that your child needs to wear the correct PE uniform to school each Wednesday.

Please keep your child's reading record and reading book in their bag every day.

Please send your child in with a coat or waterproof jacket as they will be outside in the garden for part of each day.

Thank you for your support.

Our Learning

This week, we have been exploring 2D shapes and thinking about how many sides and how many vertices they have. The children had fun using matchsticks to represent the different shapes. We have finished writing our stories in English and the children have impressed us with their creative ideas, great descriptions and very neat handwriting. In RE, we have been thinking about whether it is possible to be kind to everyone all of the time and have linked this to the Christian story of The Good Samaritan. The children have also been engaging in our learning opportunities in the garden this week. They particularly enjoyed a fine motor skill activity where they used tweezers to collect laminated pumpkins out of the mud tray and then draw funny faces on them!

Next week, we will continue to look at the properties of 2D shapes, investigating which shapes have a vertical line of symmetry. We are also going to re-visit our history topic of The Great Fire of London, make our own model buildings based on those built in 1666 and then watch the fire spread from house to house in a controlled re-enactment of the Great Fire! In English, we will plan and write a recount of this exciting event.

Don't forget that your child needs to wear the correct PE uniform to school each **Monday**.

Please only send fruit in for the children to have as a break time snack.

Our Learning

This week, we began a piece of independent writing inspired by our class text, Stone Age Boy. Maths lessons gave us the opportunity to further explore addition and subtraction. During the afternoon lessons, we began a unit of Art where we are studying ancient artists. As part of our work, we learnt how to mix colours and to use a grid to recreate works of art accurately.

Next week, we will be continuing to learn about ancient artists and how they have inspired modern artists.

In English, we completed our independent writing and took part in some shared reading.

In Maths, we have continued to learn strategies for completing calculations.

Important Dates /Reminders

Wednesdays: wear the correct PE uniform to school. Please bring in a water bottle.

Roman Day: 24th October

Costume ideas:

Our Learning

This week, the children have been busy making their own images using mosaics. Also, we have been looking at the rates of evaporation depending on temperature.

In maths, the children have been learning to add two four-digit numbers with more than one exchange and they have showed brilliant resilience.

In English, the children have been learning about spiders and then they have been creating their own summer poems based on life on a farm.

Next week, we will be making our final mosaic based on the children's designs and we are going to be starting our R.E topic about Judaism.

In maths, we will be learning how to subtract numbers using the column method.

In English, we will continue reading Charlotte's Web and will kick start the term by writing our own Kenning-style poetry about Charlotte the spider.

Year 4 book recommendation

PSHRE Focus: Being Me in My World. In PSHRE this term, we will learn that our attitudes and actions make a difference to our class team. We will acknowledge who is in our school community, the roles they play and how we fit in. We will understand that our actions affect ourselves and others. We will learn to care about other people's feelings by trying to empathise with them.

Child of the week:

4 Turing: Saihej **4 Lovelace:** Ben **4 Chamberlain:** Gurleen

Remember to read **at least 3** times a week and practise your timetables on Rockstar Maths.

Half term-28th October to 1st November

Year 5 were very excited to perform our Sharing Assembly this week. They sung beautifully and were very brave when speaking on stage. This was such an important step along our journey to our Year 6 production next year. Thank you to everyone that was able to join us.

Our Learning

This week, we enjoyed performing our sharing assembly for parents!

In maths, we continued to practise using column method addition and subtraction in a range of contexts.

In History, we enjoyed learning about kinder transport and attitudes. We also wrote our speeches.

After half term, will be starting our next science unit on Properties of Materials. Here, we will be doing lots of exciting experiments!

In maths, we will start our new topic multiplication, by exploring multiples, common multiples and how these are linked to factors.

In English, we will continue with the text 'Goodnight Mr Tom', exploring the characters and their emotions as the story unfolds. We will also be looking at character descriptions and features of a diary to help us write our own diary entries in role.

Peek at the Week

The Woodlands
Week commencing- 14.10.24

What the Woodlands has been up to

This week:

Woodlands children have been further exploring their new topics and the new items we have had delivered.

In English, one group started to write their independent sentences about the introduction and middle of the story of Stone Age Boy. The children have shown great use of synonyms and adjectives, to enhance their work.

Another group has started to write independent sentences about 'Rose Blanche', emphasising the rising tension into the middle of the story. The children are showing pride in their work and putting in the effort.

In Maths, our focus has been on number lines. We have explored how to fill in missing numbers on a number line and counting forwards and backwards. The children have really enjoyed developing their number skills.

The children have also continued to develop their writing of numerals in words and improving their counting skills.

The afternoon, we have continued to develop our turn-taking skills and self regulation.

The children have explored the new items in the Woodlands calm room. The children have shown good turn-taking skills and independently overcome interpersonal issues.

Next week,

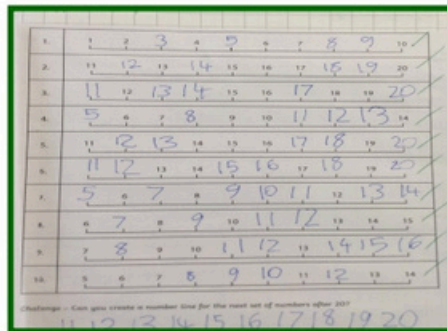

In English, we are going to continue our independent writing of the middle of the story and into the end.

In Maths, we are going to further explore number lines and consolidate our understanding of what we have covered so far.

The afternoon children are going to continue their work on self regulation and social skills.

Last week the children were playing around at the park. Today the people were putting in the regard.

Challenge - Can you create a number line for the next set of numbers after 20?

The Orchard–Peek of the Week

Week commencing: 14/10/2024

Important Dates

Year 1&2 Slough School Sport Fencing Festival

On Tuesday Miss Miller and other staff, took some wonderful Priory students to Singh Sabha Sports Centre to try their hand at fencing.

The afternoon consisted of fun challenges, working with students from other schools and the amazing coaches from Little Musketeers.

The children showcased many amazing skills and had fun being introduced to a new sport.

PE News

KS2 students have been working hard on their physical health. During PE lessons this half term, KS2 students have been developing their physical skills, through a series of challenges, from Gymrun, including, Standing long jump, Vertical Jump, bench dips. Speed bounce, sit ups and many more. The students have been learning about, physical literacy and what tasks work certain physical skills.

Slough Town Award Winner

We were lucky as part of our partnership with SSSN and Slough Town FC to get a free place at a football camp. The PE team awarded this to Jordan S in year 5, for his excellent passion, desire and team work during PE lessons this half term.

A great achievement.

Young Voices Choir - Audience Ticket Deadline

Next term, Y5 and Y6 members of the choir will be attending the amazing Young Voices concert at the O2 Arena in London. Parents should please note that the deadline for ordering tickets and t-shirts is 31st October, and this needs to be done through the YV MusicRoom Shop, paying via Credit/Debit card - I will send out a reminder of the link to relevant parents. (Tickets are subject to availability.)

Here is a list of links to the lyric videos for children to be practising with, and a Spotify playlist, in case anyone is having issues with the YV MusicRoom videos. Please encourage your child to sing the songs at home as much as possible, as no printed words will be allowed on the day and there's a lot to learn!! Thank you!
