

Peek at the Week Nursery– 19th July 2024

Our Learning

Personal, Social & Emotional Development

We have been talking with the children about the changes in September; our older children moving to the Reception class and our younger children staying in Nursery for another year.

Communication and Language

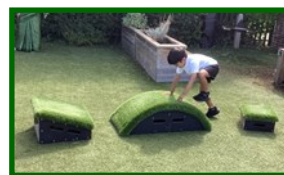

This website is a useful site when talking about and supporting your child with school readiness.

Physical Development

After our busy sports day, we have been calming down following a Sensory story massage to 'the circle of life'. (see link below).

Sports Day

Thank you so much parents for coming to our Sports Day. The children were amazing, following the instructions, completing their skills but most importantly having fun. It meant a lot to the children to have their families and friends supporting them. Thank you for cheering and encouraging them. We are extremely proud of them all.

Last Day for Nursery

Wednesday 24th July (usual finish times)

Children of the week: all of our nursery for an amazing sports day, showing fantastic team work, encouraging their friends and making us really proud.

Please share this video and encourage your child to watch and follow. The 'Circle of Life' story massage
