

Peek at the Week

Nursery– 21st June 2024

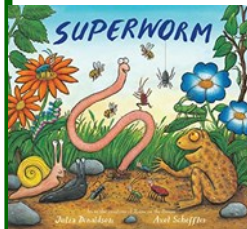

Our Learning

Personal, Social & Emotional Development

As part of our Jigsaw PHSE programme, we have been talking about different types of food. We have been thinking about foods that we should eat a lot of to keep our bodies healthy and those we should only eat sometimes.

Communication & Language Development

We have enjoyed listening to the story of Superworm this week and trying to remember all the animals he helped. We have been remembering to talk in full sentences when we have been retelling the story.

Physical Development

Outside in the garden, we have been cleaning our dirty dinosaurs using different sized brushes. This continues to strengthen our wrists which will help our writing.

We have been tracing along wiggly lines with finger paint to create our own superworms!

Parent Forum: 24th June 2pm
Learning together 'play and stay sessions': 24th, 25th and 27th June.
(please refer to individual times sent out on invite letter)

Sports Day: 18th July

Fun in the sun!

We have been very inventive this week in the garden with lots of amazing constructions built to support our role playing.....

sun loungers and a swimming pool!

Child of the week: Aaron for settling back into nursery quickly after being unwell and being fantastic at tidying up today.

Please share this video and encourage your child to watch and sing along. **'The sun has got his hat on!'**
