

Peek at the Week

Nursery–29th September 2023

Our Learning

Personal, Social & Emotional Development

We have been talking about how to make sure our nursery is a happy place for everyone to learn in. This week we have been focusing on caring for our friends by using our 'kind hands'.

Communication & Language Development

We have been practising understanding instructions that have two parts, such as "get your coat and wait by the door please". Can you help your child to listen to instructions at home; using their name first will help them.

Physical Development

After the change in weather this week, we have been practising to put on our coats by ourselves. Please encourage your children to do their own zips and fastenings up.

Reception Open Day

Monday 16th October
3:45pm–4:30pm

If you have a child due to start the Reception class in September 2024, please come and visit Priory Reception classes after school from 3:45pm to 4:30pm. Thank you.

Musa and Brayden have been very creative this week. They independently made flags for the sand castles they had built.

Rohan and Noah have been experimenting with our giant wheels, seeing if they can roll them up as well as down our nursery hill.

Child of the week: Tallulah for quickly settling into the new routines of nursery and clearly enjoying every moment of her time in class.

Nursery rhyme of the week: Incey, Wincey, Spider climbed up the water spout.

Please share this video with your child and encourage them to sing along. <https://youtu.be/a2kZF17Upbo>
