

Peek at the Week

Nursery – 7th June 2024

Our Learning

Personal, Social & Emotional Development

We have been reminding ourselves of the class behaviour charter especially remembering to all join in with tidying away our toys and games. **'Choose it, use it and put it away!'**

Communication & Language Development

We have had lots to talk about on our return to the nursery garden

after the half term break. We have seen that the seeds and plants that we planted have really grown. We have been asking lots of questions and commenting on all the changes.

Physical Development

We have been tracing over patterns to help with our writing skills. It is harder to push down when using a pencil rather than a felt tip pen. This is helping our mark making become stronger.

EYFS Parent Forum Meeting

Monday 24th June 2pm

Hot Weather

With the weather hopefully getting hotter across the next few weeks, please send your child in with a sunhat and if possible remember to put sun lotion on them before they come into nursery.

Thank you

Please be aware that we have chickenpox in the Nursery.

We have been very busy settling back into Nursery after our half term break.

Child of the week: Asrith for happily coming into Nursery each day, ready to learn and using his voice more in class.

Please share this video and encourage your child to sing along. **Tommy Thumb, Tommy Thumb**
