

Peek at the Week

Nursery 8th March 2024

Our Learning

Personal, Social & Emotional Development

This week we have been reminding the children to 'choose it', 'use it' and then 'put it away'. They are very good at saying our rhyme but we need to encourage them to put it into action!!

Communication & Language Development

We have been developing our understanding of questioning especially when we have read a story. We have been thinking about 'why?', 'what?', and 'how?' questions to help us get a closer understanding of the story we have been listening to.

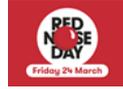

Physical Development

We have been doing lots of activities based around our focus book which have been helping us to strengthen our fingers ready for holding our pencils correctly.

Red Nose Day Fri 15th March

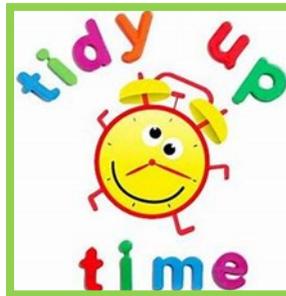

Children are asked to come to school in their own clothes, wearing something red and £1 donation for the Comic Relief charities please.
