

# Peek at the Week

## Nursery– 9th February 2024

### Learning

#### Personal, Social & Emotional Development

As part of our Jigsaw program, we have been talking about how we find some activities quite difficult to do; they are a real 'challenge' for us. We talked about encouraging our friends by saying 'you can do it'.

#### Communication & Language Development

We have continued to enjoy the story of Owl Babies by Martin Waddell. Please share

the video link below with your child and encourage them to join in with the familiar phrases in the story.

<https://www.youtube.com/watch?v=TPQRiSTYFHo>

#### Physical Development

In our PE sessions we have been practising rolling and throwing a ball to our partners. We have also been rolling and throwing a ball into a hoop target which has been quite a challenge!

### Parents' Evenings

Tuesday 5th March and  
Wednesday 6th March.

Please sign up for a 10 min meeting on either evening with staff on the gate from Monday 19th February.

We finished making our pine cone 'fat seed balls' for the birds and hung them up in our garden. The birds are enjoying their treats!

We have made our own pine cone owl babies. 

**Child of the week: Manha** for beginning to use her voice more in class with her teachers and friends.

**Nursery rhyme of the week: 'The Wheels on the bus'** Please share this video with your child and encourage them to sing along.
