

# Nursery Peek at the Week

## 1st March 2024

### Our Learning

#### Personal, Social & Emotional Development

This week we have been reminding our children to listen to each other and to the adults that are talking to them.

#### Communication & Language Development

We have been outside in the rain exploring the garden and catching 'raindrops'.

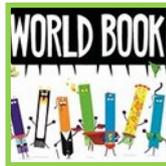

We have been encouraging the children to talk about their experiences and staff have been modelling new vocabulary to describe their actions.

#### Physical Development

As part of our Jigsaw (PHSE) program, we have been thinking about exercise and how it is good for us. We found out that when we did lots of exercise, our hearts started beating faster. When we then rested and relaxed, our hearts slowed down. We have been seeing how fast we can run around our obstacle course in the garden.

#### Friday 8th March World Book Day

Our chosen book in Nursery is 'We're going on a Bear Hunt'. You may like to choose this as a costume theme, or another book character, or the very comfy option of some cosy pyjamas. Please can we request no one-sies for nursery children due to the difficulty of going to the toilet in these.

#### Red Nose Day Fri 15th March

Children are asked to come to school in their own clothes, £1 donation for charity.

**Construction task:** Make a home out of the 2D shapes. We had to think carefully about which shape would work best for which part of our house.

#### **Dough task:** Make letter shapes out of the dough.

This was very tricky and we needed to roll, squeeze, pull and cut the dough into the shapes.

Child of the week: **Cayden** for always following our class charter, being a role model for his friends and for his excellent communication and storytelling.

Nursery rhyme of the week: Head, Shoulders, Knees and Toes

Please encourage your child to watch and join in <https://youtu.be/QiynbY9SPjk>

Next Week's Sign of the Week: **looking**
