

Peek of the Week

The Orchard – 1st April 2022

Important Dates

- Parents evening week beginning on 4th April
- End of term 8th April
- Inset 25th April (no school for children)
- Ramadan 3rd April – 3rd May

A little thank you...

It was lovely to see those parents who managed to pop in and see what we are doing here in The Orchard. We loved sharing some of our activities we typically do, and it was great to see you in person!

Our Learning

English

This week the children have been exploring a lovely book called 'The Golden Egg'.

In the book, there is a bunny who lies to explore, so the children have been learning about what prepositions are, and how to position themselves using widget visuals to support their understanding.

Maths

This week the children have been consolidating their number knowledge through matching, ordering and counting numbers. They have also been reminding themselves of pattern and sequence through using Easter themed visuals.

Provision

This week the children have been exploring everything egg related! They have been hunting, decorating, designing, making, and drawing eggs!

They have also been helping create some fabulous 3D items for the Alice in Wonderland display that has been created in the mainstream building.

Star of the week

Pears: Aroosh Oranges: Inaya Apples: Haneef Plums: Izaan Cherries: Ethan

Word of the week: Ramadan
