of swimming Thursday

Makaton sign:

Our Learning

Topic– Occupations

Maths–In Maths, Apples and Plums have been learning about halving. They have enjoyed making pizza and cutting it in half!

Cherry's class have been halving food and then halving again with toast and cucumber.

English– The children have been matching occupations to their settings. Some children have written sentences linking occupations to their settings.

They also went on a walk around the school to see different uses of the school building. They went to visit the dinner lady in the kitchen, a teacher in another classroom and the care-taker in his office.

Star of the week

Plum Class- Haneef Apple Class- Izaan Cherry Class-Aran
