

# Peek of the Week

## The Orchard – 7th March 2022

### Our Learning

Welcome back children!

### English

This week the children have been building sentences. They have focussed on what they can see in the illustrations. They have been encouraged to say their sentences before recording their sentence in their books.

### Maths

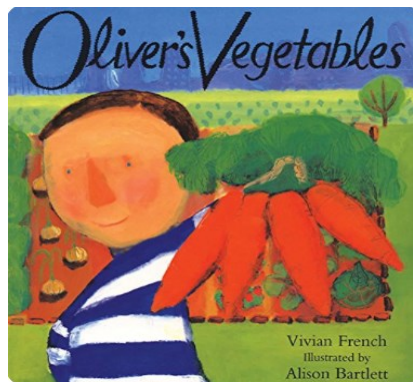

The focus in maths this week has been the number 5. The children have been applying previously learnt knowing of number formation and sequence to independently count and write numbers up to five.

### Provision

Science has been this weeks main provision focus. The children have been exploring the different parts of plants and beginning to learn how the seasons effect their growth.

### Important Message

Children to please bring in a plastic cup or an empty food can next week. We are preparing for an experiment!

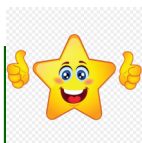

### Important Dates

- 14th March- Coffee morning with toileting advice. (In person)
