

The Orchard–Peek of the Term

Week commencing: 22nd January 2024

Important Dates

National Story Telling week– 30th January

Our Learning

Our information for Maths as and English is in this weeks newsletter.

This week in PHSE the children are continuing their topic 'Dreams and Goals.' The children have been understanding that different emotions might stop them from doing tasks. They learn't what they can do to help them do their tasks and how they can ask for help.

In science the children have been learning about fast and slow. They have investigated surfaces and how the speed changes on different surfaces. The children have also been doing fast and slow movements like running on the spot and clapping etc.
