### Our Learning

#### English

This week the children have continued with "Oliver's vegetables". The children have been completing mini-activities relating to the book.

They have also been learning the name of different vegetables and sequencing the story.

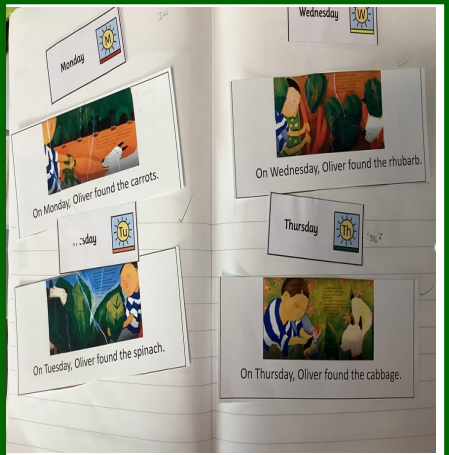

#### Maths

This week the children learned about Nina Nine, the beloved hero of Ten Town and exercised their counting skills. Some other children started comparing numbers.

#### Provision

This week the children created cards for mother's day. Some classes completed their Science Week activity for "Growth", planting and growing their own lentil seedlings.

Finally, as the weather gets warmer, they engaged in water play sessions and enjoyed the sunshine.
