

# Peek of the Week

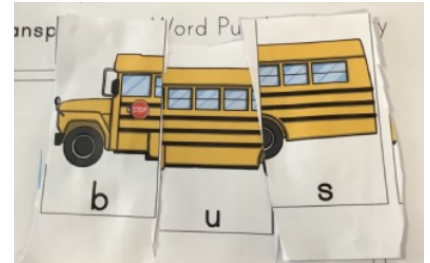

## The Orchard – 29th April 2022

### Our Learning

#### English

This week the children have been exploring a lovely book called 'The Hundred Decker Bus'.

In the book, a red double decker bus decides to go on an adventure! The bus driver soon realises that he will need more than two decks! The children are learning Makaton signs for 100, decker, and bus which will help reinforce their understanding of the story.

#### Important Dates

- Ramadan 3rd April – 3rd May

Makaton sign:

Bus

To Wait

#### Maths

This week the children have been consolidating their number knowledge of numbers up to 10. They have been trying to find missing numbers in a sequence, using numicon, objects and digit visuals to assist their understanding.

#### Provision

This week the children have been continuing to practise road safety, and learn what 'stop' and 'go' mean in context. They have used the colour red and green to help associate those actions more easily. They have painted giant red buses taking inspiration from their current story and have also had fun with masking tape art.

#### Star of the week

Pears: Sriya Oranges: Ali Apples: Zorawar Plums: Aran Cherries: Ahmed

Word of the week: bus
