**Thursday 7th March**

World Book Day

Makaton sign:

Animals

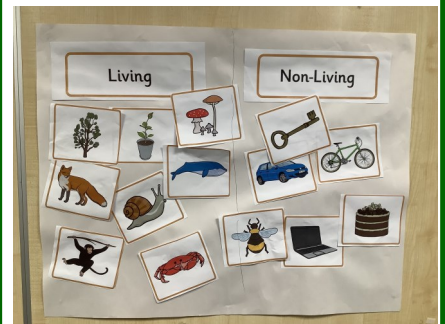

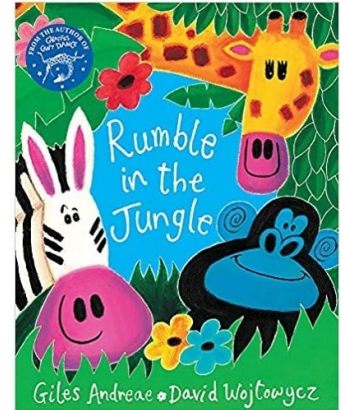

## Our afternoon learning

We have begun our new topic 'Amazing Animals', the children have explored our new topic book Rumble in the Jungle (please find and read the newsletter for more information about our new book).

In Science this week, the children have started looking at living and non-living things. The children were learning about the processes of what being alive means; such as breathing, moving and eating!

In life skills and PHSRE, we have started our new topic 'Healthy Me and Healthy You!' The children have been completing different daily exercises to promote well-being and a healthy life-style.

# CELEBRATE!

## Star of the week

Cherry class: Ethan / Plum class: Sriya / Apple class: Rosie
