## Our afternoon learning

This week:

In Literacy, this week we have been reading and following instructions to make our own ice lollies. We started by tasting different flavours of juice and choosing which one we wanted to use to make our ice lollies using a communication board.

In Maths , we are continuing to look at the concept of time, this week we focused on ordering the days of the week. We have also been creating our own patterns using different objects variety of classroom resources.
