

Peek of the Week

The Orchard

Week commencing-31.01.2024

Important Dates

Mondays and Fridays are PE days, please can all children come in their PE kits.

End of term

Friday 9th February

Our afternoon learning

In Science this week, the children have been exploring magnets. We have been sorting magnetic and non-magnetic objects.

In life skills, the children have continued with this terms self-care skills of washing up, teeth brushing and washing their hands.

In PSHRE, the children have continued working on 'dreams and goals' and have been practising their chosen goals for school.

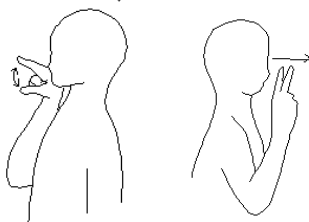

Also, to celebrate bird watch week, we have been completing the Priory Mile in hope to record some of the countries wonderful bird life!

CELEBRATE!

Makaton sign:

Bird watch

Star of the week

Ali in Cherry Class for completing his work and showing great listening this week!
