### Word of the week

England

Star of the week: Ridwan

### Our Learning

#### English

This week in class, we have been exploring our new story – The Queen's Handbag. We created our own swan feathers to make a class swan for a display in Woodlands, looked at the key vocabulary in the story and wrote shape coding sentences to describe the sneaky swan.

Next week, we will look at verbs and describe what the Queen is doing.

#### Mrs Toland's maths

This week, we have been using pictorial representations and maths equipment, such as counters and tens frames to add.

Next week, we will practicing finding the number bonds to 10.

#### Miss Hall's maths.

This week, Miss Hall's maths group have become experts at using column addition to add. Next week, they will look at strategies to add three 1-digit numbers and use this knowledge to solve addition magic squares.

#### Afternoons.

This week, we have been busy learning about England. We have sorted the human and physical features such as Scarfell Pike and Windsor Castle. We also created our own England flag repeating patterns and enjoyed partaking in traditional Morris dancing. We also made English shortbread and took part in Priory's whole school Easter Egg hunt. Next week, we will be exploring the Easter story.
