

Peek of the Week

Woodland –28th January 2022.

Our Learning

English

This week in class, we have been exploring our new story of George and the dragon.

We have continued to use shape coding and our creative skills to understand which characters were involved in the key events.

Next week, we will look at verbs– explore what the characters are doing.

Maths

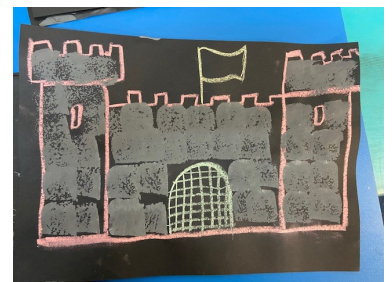

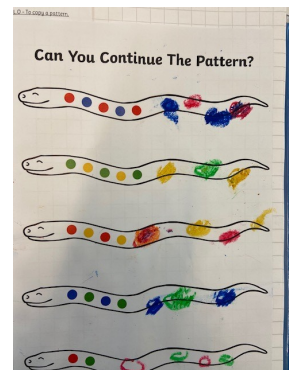

This week, we have continued to explore more complicated patterns. Next week, we will begin our unit of place value.

Foundation.

In our history lesson, we looked at the main features of a castle and used sponges and chalk to draw our own castle.

Science

In Science this week, we looked at hot and cold habitats. Next week, we will look at wet and dry habitats.

Important information

From the end of January, we will longer be using Mathletics as we will be using a new online homework tool–Doodle Maths – please see newsletter for more details.

Please send your child to school with a named water bottle.

Library is on Monday
