

Peek at the Week

Year 2– 10th November 2023

Important Dates / Reminders

Please remember to complete Maths homework and read daily.

Children should complete one piece of homework each week from their Autumn 2 Homework Menu.

Please wear PE kits on a Wednesday.

Child of the week

2Hawking: Sophia D

2Franklin: Atharv

2Newton: Noah

Our Learning

This week, the children have been writing up the facts they researched and creating pictures and captions for their African Animal fact file. Next week, we will be assembling our fact files and then joining them together to make a class book! In Maths, the children have been drawing their own number lines to add 1-digit numbers to a 2-digit number and adding multiples of 10 to a 2-digit number. Please continue to practise counting on in ones and tens at home from any 2-digit number.

Next week, in English, we will start exploring our new text, Anna Hibiscus on Holiday. We will also be writing a description of someone from our own families. In Maths, we are going to be adding two 2-digit numbers using a blank number line. If you would like to know how to help your child with this at home, please speak to their class teacher. In Geography, the children will be learning about the human and physical features of a Kenyan village.
