Word of the Week: data

Follow this link to find more super daily activities: www.morningchallenge.co.uk/

Star of the week:

2Hawking: Malaaika

2Franklin- Dimercia

2Newton– Tasneem

Dates for the diary:

19.05.23 - Wear it Green Day for mental health

26.05.23 -INSET Day– school closed.

13.07.23–Year 2 Beale Park trip

Our Learning

This week, the children have been researching facts about snails and whales in English. In maths we have been learning how to find one half or one quarter of an amount by sharing and enjoyed exploring measure in our maths day. In science, we have looked at habitats and how animals have adapted to live in different places. In ICT we have learnt about predictions and designed artwork for our floor robots.

Next week, the children are going to be using their facts to write a non-chronological report in English about their chosen animal. They will also be observing, designing and building their own micro-habitats for a minibeast. Thank you for the shoe box donations so far, but we still need more if you have any!
