

Peek at the Week

Year 2–15th December 2023

Important Dates / Reminders

Please remember to complete Maths homework and read daily.

Children should complete one piece of homework each week from their Autumn 2 Homework Menu.

Please wear PE kits on a Wednesday.

When logging into Numbots, you need to log in as school not parent, it is quite confusing on the website. Then your child's log in should work.

Child of the week

2Hawking: Sophia C

2Franklin: Elsie

2Newton: Aisha

Our Learning

This week, we have been learning about the Christmas Story and how we can show kindness to others and the world. The children drew pictures to represent the Christmas story and they wrote about how they show love to their families. In art, we have been experimenting with different mediums and the children have done rubbings and printing.

After the holidays, we are going to be reading 'The Secret Sky Garden' and we are learning about littering and the impact on the environment. In maths, the children are going to be continuing to practise subtraction and we are going to be moving on to subtract two-digit numbers. Have a lovely holiday and we will see you in January!
