

Peek at the Week

Year 2– 15th September 2023

Important Dates / Reminders

Please remember to complete Maths homework and read daily.

Children should complete one piece of homework each week from their Autumn 1 Homework Menu.

Spelling test is on a Friday

Please wear PE kits on a Wednesday.

It would be great if all of the children's clothes can be named particularly school and P.E uniform jumpers. We already have a box of unnamed jumpers which we will be putting outside when we dismiss the children at the end of the day.

Also, please send the children in with a named water bottle that they can drink from throughout the day.

Here is the link if you would like to support your child with phonics at home:

Our Learning

This week, it has been a pleasure to welcome the children into Year 2 and they are settling really well. They are getting used to the routines in their new classes. The children will start coming home with reading books at the end of this week and beginning of next week. We have listened to the children read and given them a book to support the level that they are reading now. Some children have moved back since coming back from the holidays but I am sure as they become more confident they will move back up quickly. If you think your child is struggling to read the book that they have been given, please talk to their class teacher. The children have been looking at numbers to 100 counting in 10s which the children were good at.

Next week, the children are looking at partitioning two-digit numbers using a place value chart.. We are also continuing to learn about 'The Great Fire of London' and Samuel Pepys.
