

Peek at the Week

Year 2–15th May 2024

Important Dates / Reminders

Please remember to complete Maths homework and read daily.

Children should complete one piece of homework each week from their Summer 1 Homework Menu.

Please wear PE kits on a Wednesday.

When logging into Numbots, you need to log in as school not parent, it is quite confusing on the website. Then your child's log in should work.

Beale Park Trip: 12th June 2024

Our Learning

This week, the children have been working hard putting together their fact files together about the snail or whale. The children know the features of a non chronological report and they have used this knowledge to create their own. In Maths, we have been learning about the difference between metres and centimetres and they have been measuring different objects around the classroom.

Next week, in Maths, the children are going to be comparing different lengths and problem solving with measure. In English, the children will be writing instructions about 'How to wash a Woolly Mammoth'. In RE, the children are going to be learning about Islam. I

It would be great if the children can continue to practise their 2, 5 and 10 times tables and try to read at home every night.

Child of the week

2Hawking: Zara

2Franklin: Daniel

2Newton: Rifqah
