### Star of the week

2Hawking: Zain

2Newton: Mark

2Franklin: Harrison

### Word of the week:

Ashamed: embarrassed or guilty because of your actions.

### Our Learning

**This week**, in English we have been looking at the features of persuasive writing with a focus on effective vocabulary. We have also been looking at alliteration and strong adjectives to describe nouns. In maths, we have continued working with money and learnt how to calculate change.

**Next week**, in English we are going to be continuing with our book, 'The Day the Crayons Quit'. We are going to be focusing on letter writing and trying to persuade our poor felt tips to come back. Then we are going to have our Crayon Day on Wednesday so remember to dress up all in one colour! In maths, we will be learning how to measure and compare lengths through lots of practical tasks.

**This week** in Science we have been continuing with our topic of growth in addition to habitats. We observed the changes that our beans have made and worked in groups to create a 3d model of a growing bean seed. We also made shoebox habitats for woodland animals.
