

Peek at the Week

Year 2–19th April 2024

Important Dates / Reminders

Please remember to complete Maths homework and read daily.

Children should complete one piece of homework each week from their Summer 1 Homework Menu.

Please wear PE kits on a Wednesday.

When logging into Numbots, you need to log in as school not parent, it is quite confusing on the website. Then your child's log in should work.

Beale Park Trip: 12th June 2024

Our Learning

This week, it has been lovely having the children back at school and it has been a busy week. The children have been enjoying being immersed in our new story 'The Snail and the Whale' and they enjoyed recreating the story and saving the whale! We were also really impressed with the children's descriptive writing about the seaside. In Maths, the children have started learning about division and how to share amounts fairly.

Next week, we are going to be moving on in Maths to look at strategies to divide by 2, 5 and 10. In English the children are going to be writing diary entries as if they are the snail and they will include description of the places the snail visited on top of the whale. In Science, the children are going to be looking at 'Living Things and Habitats'.

Child of the week

2Hawking: Chase

2Franklin: Elijah

2Newton: Taranveer
