

Peek at the Week

Year 2–1st April

Important Dates / Reminders

The children need to aim to do 3 x 10 minutes sessions on Doodle Maths each week. Please email us if you are struggling with your child's log in details.

Children should complete one piece of homework each week from their Spring 2 Homework Menu.

Spelling test is on a Friday.

PE kits are needed on a Wednesday.

Please do look at our new Year Group page on the school website:

Our Learning

This week, in Maths, the children have been learning about 3D shapes and how many faces there are on each shape. We have also been doing some assessment papers to see how we are getting on with our Maths. In English, we have been completing written reading comprehensions using some of the key skills we have been practising recently such as scanning for key words and using evidence in the text to answer the questions. In Geography we have been using various ways to find information on Wales, Northern Ireland and England, including research on laptops, in books and a scavenger hunt on the playground.

Next week, we have our wonderful trip to Windsor Castle on Monday which will be a fantastic opportunity to learn all about the castle's history. In Maths, we are going to be learning about equal parts and halves.

In English, we will be planning and writing a recount of our trip to Windsor castle. We will be focusing on writing in the past tense and using time adverbials to describe the order in which the key events took place (First, Next, Then, Finally...etc). In RE, we will be learning to re-tell the Easter story and understand what Jesus' resurrection means to Christians.

Star of the week

No Star of the week due to Road Safety assembly this week.
