### Our Learning

**This week**, we have been exploring the book 'The Day the Crayons Quit'. This week, we have chosen a crayon letter that we would like to reply to and we have planned our writing. We had a fantastic time for Crayon Day which included smelling and looking at items of beautiful colours. We also pretended to be crayons and thought about what they might say if we didn't treat them well. In maths, we have learnt about measuring length and height using non-standard units, centimetres and metres.

**Next week**, in English we are going to be writing our letters to the crayons and we will decorate our letters so that the crayons can't wait to read them. In maths, we will compare and order different lengths and start to think about positional language such as left and right.

A few children in Year 2 have been off over the last week or two with Chickenpox and we hope they feel better soon.
