

Peek at the Week

Year 2– 28th April 2023

Important Dates / Reminders

Remember to complete Doodle Learning Maths homework.

Children should also complete one piece of homework each week from their new Summer 1 Homework Menu.

Spelling test is on a Friday.

PE kit are needed on a Wednesday.

Word of the Week: data

Follow this link to find more super daily activities: www.morningchallenge.co.uk/

Star of the week:

2Hawking: Levi

2Franklin- Frankie

2Newton–Arham

Dates for the diary:

Beale Park trip 13th June.

Our Learning

This week, the children have been working hard in maths this week looking at fractions. The children are now able to draw a half and a quarter of a shape. It would be really good if the children can continue to practise at home finding half and a quarter for example cutting a cake in half etc. In English, we had a very exciting lesson recreating the story of 'The Snail and The Whale' then the children wrote an email telling a friend all about what happened.

Next week, the children are going to be looking at symmetry of shapes for example, does the square have a line of symmetry? The children can cut out the shape and then fold it to see if it has a line of symmetry. In ICT, the children are learning what an algorithm is and the importance of ordering instructions.
