### Our Learning

**This week**, the children have enjoyed starting to learn the songs for their performance to their grown ups on Thursday 9th March at 9:15. This will be a lovely opportunity for the children to share some information about the topic that they will be learning about in Spring 2, Windsor Castle. The song words will be coming home soon for the children to practise. They have also enjoyed learning about the continents and oceans, and making balloon globes. The children have been putting their persuasive skills to the test by writing a letter to Mrs Foster persuading her to let them grow their own wildlife garden. We have also been talking about what makes someone kind and how we can be kind to others.

**Next week**, the children are going to continue writing their letters to Mrs Foster. It would be really good if the children can practise writing their own address, ensuring that road names and places names start with a capital letter. In Maths, the children are going to be exploring multiplication and discovering how a repeated addition number sentence can be written as a multiplication number sentence for example  $2 + 2 + 2$  is the same as  $3 \times 2$ .
