

Peek at the Week

Year 2– 8th December 2023

Important Dates / Reminders

Please remember to complete Maths homework and read daily.

Children should complete one piece of homework each week from their Autumn 2 Homework Menu.

Please wear PE kits on a Wednesday.

When logging into Numbots, you need to log in as school not parent, it is quite confusing on the website. Then your child's log in should work.

Child of the week

2Hawking: Darrien

2Franklin: Kaaira

2Newton: Sophia U

Our Learning

This week, the children have had a busy week learning how to subtract. It would be helpful if you can keep showing your child the subtraction symbol at home and discussing what it means. The children are confident subtracting one-digit numbers from a two-digit number and we are now practising subtracting 20, 30, 40 etc from a two-digit number. In English, they have been writing poems about the rainforest.

Next week, we are going to be busy with some festive fun. The children will be learning about The Christmas story and we are going to be making some Christmas decorations. Also, we are going to be practising our different art techniques. We hope you all have a lovely holiday and we look forward to seeing you in January!
