

Peek at the Week

Year 3 – 1st April 2022

Important Dates / Reminders

Parents evening– Thank you for booking your parents evening appointment. We are looking forward to sharing with you the progress and targets for your child next week. Please can we ask that you collect your child promptly at 3.15pm next Monday and Wednesday so we can start the appointments on time.

Priory's Got Talent – 8th April. A reminder that we are holding Priory's got talent next week.

Priory Friends Easter raffle– Please purchase your £1.00 raffle ticket from your child's class teacher to win a prize!

School finish time–8th April. Year 3 will be finishing at **12pm** next Friday. Please ensure you make arrangements to collect your child at 12pm.

Homework

Your child has bought home spellings today, ready for their final spelling test of this term for next week.

They are expected to complete **2 tasks** from the homework grid as part of their homework for this week. A reminder that homework is due Thursday morning.

Our Learning

English

We have been busy planning our pourquoi stories this week. Everyone has created a unique story, from "how a star was born" to "why the moon changes shape every month". Ask your child what their story is about!

Next week, we will be designing and creating a book to showcase our stories and illustrations.

Maths

This week we have continued our unit about length and perimeter. We have learnt about equivalent lengths, focusing particularly on millimetres, centimetres and metres. The children also enjoyed the challenge of measuring the length of the classroom in metres.

RE

We have continued with our learning about Easter. The children have learnt why the events leading to Easter Sunday are significant by creating a diary of events, recognising the importance of Palm Sunday, Maundy Thursday, Good Friday and Easter Sunday.

Geography

This week we have been learning about why rivers are important to people now and in the past. The children have enjoyed exploring the different activities that take place on the river and discovering the ways in which people try to protect the environment.

Star of the week

Rashford: Nicole

Moore: Mehnoor

Wicks: Amelia W

Words of the Week: centimetres millimetres metres
