

# Peek at the Week

## Year 3 – 3rd February 2023

### Important Dates / Reminders

- **3Moore swimming.** 3Moore have 2 more sessions left of swimming. The fifth session will take place on **Monday 6th February** with the final session taking place on **MONDAY 20th February**, the first Monday after the half term break.
- **Half term break–13–17th February.** The children return to school on Monday 20th February.
- **W/C 27th February** – book fair
- **World book day – 3rd March.** The theme this year is fairy tales. Please see letter sent to all parents which provides more details about this event.

### **GENTLE REMINDER**

Please can you ensure that toys, games and cards are not brought into school. This distracts the children from their learning and we are unable to be responsible for the safe return of these items. Thank you.

### Our Learning

#### English

This week the children have planned their own story called 'The Happy Pharaoh' that they will start to write next week. They enjoyed discussing what parts of the original story they could change and how they could use their historical knowledge of Ancient Egypt. In our story plans, the focus has been on what success criteria the children will use in their own narrative.

#### Maths

This week the children have explored equivalent lengths (metres, centimetres and millimetres), compared the different ways to measure length and added lengths in different units (metres, centimetres and millimetres). They have also used practical methods to consolidate their learning in the classroom using centimetre and metre rulers (measuring several objects).

#### History

We have been exploring timelines in History this week, looking at some of most important events that occurred in Ancient Egypt. We had some fantastic discussions about which events we thought were most significant, and then created our own historical timeline.

### Star of the week

**3Rashford:** Amber

**3Moore:** Natalie

**3Wicks:** Rosiemay

Word of the Week: equivalent
