

Peek at the Week

Year 3 – 3rd March 2023

Important Dates / Reminders

- **Learning gallery– 14th March 2023 from 3.15–4.00pm** This is an opportunity for you to come into classrooms to see your child's work prior to parents' evenings.
- **Parents evening–20th and 22nd March 2023.** The booking system is now open to book your appointments. 10 minute slots are available. The parents evening will be on TEAMS. The booking system closes on 13th March at 5pm. Thank you to those of you who have already booked your appointment already!

World Book Day

Our Learning

English

This week the children have been inspired by our new text, "How the Stars Came to Be" by Poonam Mistry. They have enjoyed planning their own poems about the moon using exciting metaphors. All the children have begun to use metaphors to create fantastic imagery. Well done year 3! Please encourage them to use metaphors at home too.

Maths

This week, our magnificent mathematicians have continued their learning on fractions. They have compared and ordered non-unit fractions and unit fractions. (using laws to remind them on fractions that were smaller or larger). The children have also done a recap lesson on what they had learnt so far in fractions, made a fraction poster and did some practical work on fractions.

Music

This term the children are using chime bars to begin to read standard musical notation. As well as reading music, the children are learning to be sensible and gentle with their sticks, resulting in a pleasant, professional sound.
