Late collection

We have a number of children who are being collected several minutes after 3.15. Please ensure your child is collected on time. It unsettles the children when they have to be taken to the office. Your children work so hard during the day and are ready to go home at 3.15.

Our Learning

English

This week the children enjoyed researching the Ice Age and they used the wonderful vocabulary they generated to write a description of a glacial setting. Language features included similes and expanded noun phrases. The children also investigated the way the illustrator used colour and detail to bring the illustrations to life. Next week we will be planning our own story inspired by 'Pebble in my Pocket'.

Maths

This week, the children have focussed on adding and subtracting numbers across a 10 and 100 with exchanges. They have solved tricky subtractions that involve 1 and 2 exchanges using place value charts and column methods. This is a challenging concept for many of the children so please do practice this method at home. Please check the previous peek at the week for the correct method.

Correct uniform

There are a number of children in the year group that are wearing trainers instead of school shoes. Please can you ensure that your child is wearing school shoes. Thank you for your support with this.

Dhol drumming/Diwali workshop

A fantastic afternoon of drumming. Please read the full article in next week's newsletter.
