

Peek at the Week

Year 3 – 4th March 2022

Important Dates / Reminders

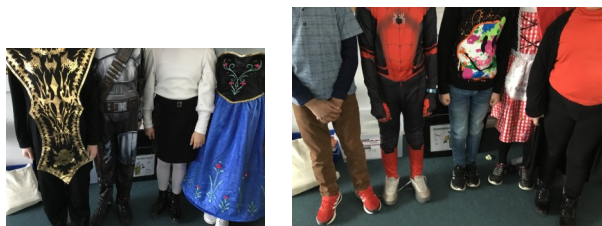

World book day–4th March– thank you for supporting this whole school event. Amazing costumes worn by all. Many of the children have had an opportunity to visit the book fair and use their £1.00 book token. The token is valid until 27th March at any book shop.

Swimming– lessons will restart for 3R from Monday 7th March for the next 4 weeks. Please check your email for the correct equipment needed.

Learning gallery–Thursday 31st March. An opportunity for parents to come into classrooms to see their child's work prior to parents' evenings.

Parents evening– w/c 4th April. Appointment details will be sent out soon.

Our Learning

English

In English this week we have begun our new book, "How the Stars Came to Be" by Poonam Mistry. In the book, the fisherman's daughter tells us her father is going out to sea in his boat with only the moon to keep him company. We have been learning all about different phases of the moon and how it affects the tides. We have been so impressed with the prior knowledge some children have of the moon and it's role!

Maths

In maths we have been exploring money. Children have used practical resources to convert pounds to pence, and recognise different coin values. Next week, we will be adding and subtracting money and then moving onto giving change.

Geography

This week the children have used atlases to locate rivers around the world, and label them on a world map. We have begun to investigate which countries the rivers pass through and have explored ordering them by length.

PSHRE

In PSHRE we have been investigating how exercise helps to keep us healthy. The children set themselves two fitness challenges–from improving how many times they can go round the mile a day track, to upping how many star jumps they can do in a minute!

Star of the week

Rashford:

Moore: Zayn

Wicks: Amelia B

Word of the Week:

Orbiting

Tide

Tidal force
