### Our Learning

#### English

This week we have described the changing landscape of our local area in 1953 and 2023. The children have used expanded noun phrases, adverbs and adjectives in their writing. They have also included different sentence types, such as questions, exclamations and statements.

#### Maths

This week, our amazing mathematicians have used multiplication and division to explore the 3 times table. They have also used  $>$ ,  $<$  and  $=$  to compare multiplication and division statements.

#### Art

This week we learnt about the history of art and ancient artists. Using a drawing grid, the children made observational drawings of a prehistoric sculpture called the Lion Man. They also enjoyed mixing secondary and tertiary colours.

### Homework

This week the children have maths and grammar homework, but they do not have spellings to learn. There will not be a spelling test next week.

### Star of the week

**3Rashford:** Kartik

**3Moore:** Dost

**3Wicks:** Khadija
