- **3Wicks and 3Moore Parents' Evenings**– 5th and 6th March

Thank You

Thank you very much for all the superb home learning that the children have done this half term. We have been very impressed by the children's efforts and it has been wonderful to celebrate their amazing work in class. We hope you have a lovely half term holiday.

Our Learning

English

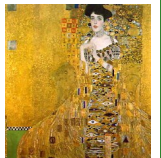

This week we have been very busy writing and editing our own version of Oscar Wilde's story 'The Happy Prince' - titled 'The Happy Pharaoh'. It has been wonderful to see how every story has progressed. After the half term holiday, we will be reading 'How the Stars Came to Be' by Poonam Mistry.

Maths

This week our marvellous mathematicians have focused on measuring length using metres, centimetres and millimetres. They thoroughly enjoyed working in pairs to measure the length and width of different objects in the classroom as well as in the playground. After half term the children will develop their understanding of the relationship between centimetres and millimetres.

Art

This week we have explored the artwork of Gustav Klimt and we have compared some of his paintings to examples of Egyptian art. The children enjoyed imitating these shapes, patterns and symbols in their own Art Books. They also replicated Klimt's colour palette using warm colours.

Star of the week

3Rashford: Zayaan

3Moore: Pearl

3Wicks: Ibrahim M

Word of the Week: foreground
