Our Learning

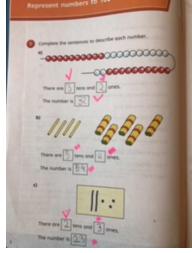

English

We have had an action packed week in Year 3! We are learning about The Stone Age, and have been reading Stone Age Boy by Satoshi Kitamura.

Maths

In Maths, we are using practical resources to explore partitioning numbers up to 100 and place them on a number line.

History

An engaging introduction to this fascinating period in history. The children have learnt the difference between BC and AD and have placed early historical events on a time line.
