- 7th December– Christmas jumper day
- 13th December–Christmas lunch
- 14th December–Class parties
- 15th December – end of term

### Welcome to Skara Brae

### Our Learning

#### English

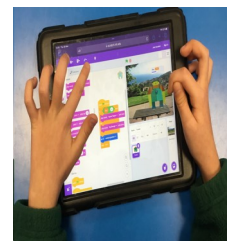

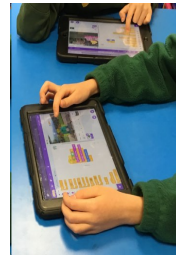

This week, the children have begun writing their persuasive brochure about Skara Brae using features, such as a heading, sub-headings, direct address, options, call to action, sensory experience and testimonials.

#### Maths

Our magnificent mathematicians have started a new unit about Multiplication and Division. They have been superstars identifying the multiples of 2, 5 and 10 as well as exploring arrays. They have also discussed the difference between sharing and grouping.

#### Computing

This week, the children used chrome books and iPads to create codes using the program Scratch. They added commands in a certain order to program their Sprite (character) to move in different ways.

### Star of the week

3Rashford: Rohit

3Moore: Dua

3Wicks: Frankie

Word of the Week: Coding
