Children's Mental Health Week

Taskmaster (Channel 4) have teamed up with Place2Be for Children's Mental Health Week this year - it's a fun way to get children involved either at school or at home. There are daily tasks for children to complete (Monday's task was to draw a rainbow) and a treasure hunt game with daily clues to solve.

Our Learning

English

This week we have been very busy writing our own version of Oscar Wilde's 'The Happy Prince' - titled 'The Happy Pharaoh'. It has been wonderful to see how every story has progressed. After the half term holiday, we will be busy with our pink pens editing our writing and making the final touches.

Maths

This week, our magnificent magicians consolidated their learning of length, height and perimeter. They have explored subtraction of lengths. The children have calculated, measured and spoken about what a Perimeter is. Also, they have discussed what a rectilinear shape is. We ended the week with an assessment of Length and Perimeter.

RE

This week we have been answering the question "Would visiting the River Ganges feel special to a non Hindu?" We talked about the many uses of the River Ganges and compared this to the uses of the rivers Nile and Thames. The children learnt that by visiting the Ganges, non Hindu's would feel special and serene.
