

Peek at the Week

Year 3 – 10th March 2023

Important Dates / Reminders

- **Learning gallery– 14th March 2023 from 3.15–4.00pm** This is an opportunity for you to come into classrooms to see your child's work prior to parents' evenings.
- **Red nose day–17th March.** Please encourage your child to wear something red together with a £1.00 donation to the Red Nose charity.
- **Parents evening–20th and 22nd March 2023.** A reminder that the bookings for parents evening closes on **Monday 13th at 5pm.**
- **Hot shots day–24th March.** A celebration of football at Priory School. Your child can come to school in football shirts/PE clothes. They will take part in a football skills workshop.
- **Priory House Egg hunt–30th March.** A house competition to celebrate the festival of Easter.
- **Talent show–31st March.** We were amazed with the talent shown by the children in year 3. It was a difficult choice to make to put 2 acts through from the year group. Our choices are Abu–Bakr who will be singing and Si-ena–Maria and Emily who will be doing gymnastics. Well done to all those children who auditioned.

Our Learning

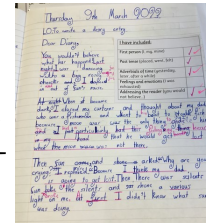

English

This week the children have explored the features of a diary and they enjoyed reading an extract from the diary of Howard Carter describing the discovery of Tutankhamun's tomb.

Using this as an inspiration, they wrote an imaginative diary entry in role as the fisherman's daughter, explaining how she carefully placed the stars in

ate beautiful images. Lantures in the first time advertising

the sky to create beautiful writing person, using the reader.

Maths

This week, our magnificent mathematicians have continued their learning on fractions. They have learnt more on intervals, sections and parts to consolidate their learning in fractions on a number line, counting in fractions on a number line. Also, the children dived into equivalent fractions on a number line and represented them as bar models.

Geography

This week the children have investigated the journey of a river from its source to the mouth. We have discussed how rivers are formed and the children have drawn a detailed sketch of a river.

the children have drawn a de-map showing the key features
