

Peek at the Week

Year 3 – 12th May 2022

Important Dates / Reminders

Maths play–16th May

Puzzle workshop company–17th May

Ancient Greek dance workshop–18th May

Whole School football day–20th May, PE kit.

Jubilee celebrations - 26th May

Inset day–27th May

Requests

We have some requests. Please can you ensure that your child has a piece of fruit every day for snack time. The year group do not have lunch until 12.45pm which is a long time to wait to eat.

Also, as the weather is improving, please do send a named water bottle to school every day. There are facilities for the children to refill their bottle during the day. Please do send a named hat to school as well to use as protection from the sun.

We visit the library every Tuesday afternoon. Please encourage your child to bring their library books to school. They do not need to change their book every week if they have not finished reading their book.

Our Learning

English

We are nearing the end of our Greek myth, Theseus and the Minotaur. We have been exploring the inner thoughts of different characters this week, and have been working at including the correct punctuation for dialogue. Ask your child what has been happening in the myth!

Maths

This week we have focused on recognising and finding a half and a quarter of a shape or a set of objects. The children have explored different representations of these fractions and identified which one is the odd one out and why.

PSHRE

We have explored conflict resolution this week, and the idea of a "win-win situation". The children worked in groups to discuss hypothetical situations, how each party may be feeling and what they would do in such a situation. It was wonderful to hear so many thoughtful ideas!

Science

In Science, we are continuing to explore plants and growth. Children have set up their own experiments to find out what will happen to their healthy plants when they restrict something—light, water or warmth. Over the coming weeks, they will monitor and make observations.

Star of the week

Rashford: Abdul R

Moore: Zaigham

Wicks: Faryal

Words of the Week:

Half

Observation
