Lunchtime concerts

A huge well done to all the Year 3 performers who took part in the music lunchtime concerts this week.

English

We are all enjoying watching “The Blue Umbrella” and we have been gathering fantastic ideas and vocabulary to use in our own stories, including precise verbs, prepositional phrases and similes. Thursday’s lesson was particularly enjoyable—with some amazing onomatopoeic words suggested. Next week we will be planning our own story inspired by the film.

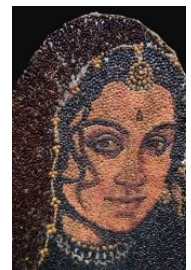

Maths

This week the children have applied their knowledge of the properties of shapes to draw 2-D shapes accurately using dotted paper. They are beginning to recognize that there is more than one way to draw a shape. Next week, the children will start the next block of lesson which is Statistics. The focus this week continues to be on the 7 times table.

Arts Week

The children have had a wonderful time celebrating Arts week and exploring the theme of identity through 2-D and 3-D art. They enjoyed producing an ‘All About Me Illustration’ to show what is special to them and they were very excited to create their own 3-D self portrait using rice, lentils and pasta. The results were amazing and we were very impressed . They also had the opportunity to perform a chosen poem.
