

Peek at the Week

Year 3 – 22nd March 2024

Important Dates / Reminders

- **Monday 25th March** – Holi. The colour run will take place after school on the field. Come and join in the fun at 3:30pm with the children. The entry fee is £1.
- **Wednesday 27th March** – Easter Egg Hunt. A house competition to celebrate the festival of Easter.
- **Talent show–28th March.** We are really looking forwards to seeing the Year 3 children perform in the Talent Show next Thursday.
- **End of term Thursday 28th March**–Finish by 12:00pm

Our Learning

English

This week the children have been busy planning, writing and editing their own version of the Native American legend Rainbow Crow. Next week, the children will be designing and creating a book to showcase their stories and illustrations.

Maths

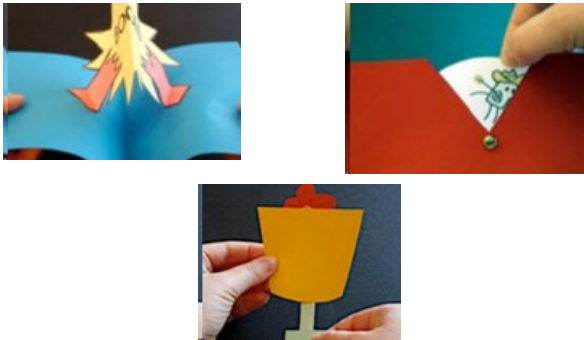

This week, our magnificent mathematicians have continued their learning on fractions. They have learnt more on intervals and sections to consolidate their learning about fractions on a number line and counting in fractions on a number line. The children also dived into equivalent fractions on a number line and represented them as bar models.

Design Technology

In preparation for creating their own book with moving parts, the children have practised constructing different mechanisms, such as a paper concertina, a pop up object, window flaps, a rotating wheel and a lever. They have also experimented with a range of different fonts and graphic techniques.

RE

This week we have begun to explore the festival of Easter and why it is important to Christians. We have also begun to explore the significance of symbols used at this time of year. Next week we will focus on the Easter story.

Star of the week

3Rashford:

Ellis

3Moore: Shaaj

3Wicks: Hamza

Word of the Week: mechanism
