

Peek at the Week

Year 3 – 23rd February 2024

Important Dates / Reminders

- **W/C 4th March**–Travelling Book Fayre. This is the perfect opportunity for the children to spend their vouchers and buy some brilliant books for their home libraries.
- **World Book Day – 8th March.**
- **3 Rashford Parents' Evenings** –26th and 27th February
- **3Wicks and 3Moore Parents' Evenings**– 5th and 6th March
- **W/C 11th March**– **STEM Week**, celebrating Science, Technology, Engineering and Maths.

NSPCC UPDATE

This week we have discussed the NSPCC's Underwear Rule, using the 'PANTS' acrostic. You can find out more information at

nspcc.org.uk/pants

Our Learning

English

In English this week we have begun our new book, "How the Stars Came to Be" by Poonam Mistry. In the story, the fisherman's daughter tells us her father is going out to sea in his boat with only the moon to keep him company. The children have been learning about different phases of the moon and they have written their own play script. Next week the children will explore a variety of poems about the moon.

Maths

This week our marvellous mathematicians have learnt why it is important to choose the appropriate unit or measuring equipment before measuring an object or length. They have also begun to add and subtract lengths as well as compare metres, centimetres and millimetres. Next week we will focus on measuring and calculating perimeter.

Geography

This week the children have used Chromebooks to locate rivers around the world, and label them on a world map. They have begun to investigate which countries the rivers pass through and they have explored ordering some of them by length.

PSHRE

In PSHRE we have been investigating how exercise helps to keep us healthy. The children set themselves two fitness challenges–from improving how many times they can go round the mile a day track, to upping how many star jumps they can do in a minute!

Star of the week

3Rashford: Yasin

3Moore: David

3Wicks: Ibrahim H

Word of the Week: exercise
