- **3Wicks**–Trip to the Ure Museum on 9th July
- **Friday 5th July**–Year 6 Summer Fayre
- **Wednesday 17th July** –Sports Day

### English

This week the children have finished writing and editing their own version of Theseus and the Minotaur. The language features they included in their independent writing and the imaginative descriptions they wrote of their mythical creatures have really impressed us. Next term we will begin a new unit based on a short Pixar film called 'The Blue Umbrella'.

### Maths

This week our marvellous mathematicians have continued their learning about time. Using individual clocks, the children have practised telling the time to five minutes and to the nearest minute. To support them with their learning, the children have also practised their number bonds to 60. After half term we will begin a unit about Shape.

### PSHRE

This week the children have discussed how they can show their appreciation for their friends and family. They have shared some lovely ideas and they really enjoyed making appreciation banners to show who is special to them and why.

### Star of the week

**3Rashford** Mia

**3Moore:** Zainab

**3Wicks:** Evie

Word of the Week: appreciation
