Break time

Please ensure your child has a piece of fruit for break-time. We are noticing that more children are asking for fruit as they have not bought fruit to eat from home. Unfortunately, we cannot supply fruit for these children and strongly request that fruit is packed. If fresh fruit is unavailable dried fruit such as raisins, apricots or mixed dried fruit are welcome.

No assembly this week–new star's will be announced next week!

Words of the Week: Gurdwara Langar Seva

Our Learning

English

We have sadly come to the end of our unit of The Blue Umbrella! We finished by writing our own love story, between two objects we created (some chose umbrellas, some hats). The Year 3 teachers were absolutely blown away by the stories produced– there are definitely some budding authors in this year group!

Maths

This week we have used small clocks to practise telling times to 5 minutes and 1 minute. We have also explored the difference between the 12 hour clock and the 24 hour clock.

RE

This week we have been exploring Sikhism. We have learned how/when it was founded and the importance of Seva. Each class watched videos of Sikh's sharing their own experiences and it led to some very interesting discussions.

Ure Museum

What a fantastic time had by 3R and 3W at the Ure Museum. We were impressed with the range of artefacts the museum had and even had the opportunity to handle some of them! The children felt like archeologists with their white gloves on!

3M are looking forward to their visit next Tuesday.

The children's excellent behavior was commented upon by the museum staff.
